Customizable in-desk kit 2 openings, brushes, 4xUSB charger, 4 Schukos and 2 empty elements black Simon 400. Individuals and professionals already enjoy all the advantages of having the customizable in-desk kit with two openings, brushes, 4xUSB charger and two empty modules in black from the Simon 400 series, a range whose functions complete your installation, suitable for recessed mounting in furniture. This product features a Wieland® gst18i figure connector with three male poles, aerial lead with 22 cm cable, insulation resistance of >5 MO at 500 V and dielectric strength without perforation or tracking at 2000 V at 50Hz for 1 minute. With four Schuko sockets for standard current circuit, it has a current rating of 16A and a voltage of 250 V. Additionally, it has been designed with a painted steel enclosure, anodized aluminum profile, covers and fasteners in self-extinguishing, halogen-free thermoplastic, materials that prevent flame spread in case of fire and low toxicity in case of smoke emission.
