Hardmetal Razorback Drill Bit 44 mm Depth 35 mm

Brand: BLUEMASTER

Reference: EDM 16085

Hardmetal Razorback drill bit ø44 mm, designed for intensive cutting in resistant materials. Maximum cutting depth: 35 mm. Compatible with sheets up to 3 mm thick.

View product online

Description

The hardmetal Razorback drill bit ø44 mm is designed for demanding industrial applications where intense cutting in resistant materials such as stainless steel is required. Its construction from hard material ensures durability and consistent performance under severe working conditions.

Technical Specifications

- Diameter: 44 mm
- Maximum cutting depth: 35 mm

This tool allows drilling in sheets up to 3 mm thick, offering optimal performance in industrial environments. Its design facilitates integration into standard drilling systems, optimizing routine processes.

Its installation is simple and straightforward thanks to its compatibility with conventional equipment. It is recommended to use it together with compatible tools to maximize performance and extend product lifespan.

Specifications

Diameter	44 mm
EAN	8422798012300
