Description

Surface mount frame for 30 x 120 cm LED panel in white aluminum, designed for ceiling installation where recessed mounting is not feasible. This frame allows converting technical panels into surface-mounted luminaires with a practical and aesthetic solution. Its aluminum construction ensures durability and resistance, while its white finish integrates easily into various environments.

Technical Specifications

- Dimensions: 30 x 120 cm
- Material: Aluminum
- Color: White
- Mounting Type: Surface

Its simple design facilitates direct installation on the ceiling, without the need for special tools or structural modifications. It is compatible with standard Armstrong-type LED panels, ensuring uniform light distribution and optimal performance in commercial or residential spaces.

The ease of maintenance and clean aesthetics make it an ideal option for environments requiring functional lighting that is also visually appealing. Installation is quick and efficient, allowing immediate use after placement.

Specifications

Width	120
Colour	White
EAN	8435151065684
Manufacturer	FBRIGHT
Material	Aluminio
Measures	30 x 120
Type of installation	Surface
