Description

Cabinet handle type pull in zamak with black matte finish, designed to facilitate the opening of doors and drawers in interior furniture. Its robust construction ensures durability in frequent use, ideal for applications requiring a functional and aesthetic accessory. The 580 model offers a compact solution that adapts to various domestic and commercial environments.

Technical Specifications

- Material: Zamak
- Finish: Black Matte
- Hole Spacing: 96 mm
- Dimensions: 12.7 x 1.9 x 2.4 cm
- Includes M4 metric screws

Its elegant and functional design allows smooth and reliable operation, suitable for wardrobes, cabinets, and furniture where a durable accessory is needed. Installation is simple thanks to the included M4 screws, without the need for additional tools.

The compact size facilitates its use in limited spaces while maintaining high resistance and durability in demanding applications. Its black matte finish offers a modern appearance that easily integrates with various interior decoration styles.
