Description

The cabinet handle type pull in aluminum with a black matte finish is a functional and aesthetic solution for doors and drawers. Its modern design adapts to various environments, combining durability with a sophisticated appearance. Made from aluminum, it offers resistance to wear and oxidation, making it ideal for high-frequency use environments.

Technical Specifications

- Material: Aluminum
- Color: Black Matte
- Dimensions: 180 x 25 x 30 mm
- Depth: 30 mm
- Hole Spacing: 160 mm

Its installation is simple thanks to the included M4 screws, allowing quick and secure mounting on various types of furniture. It is especially recommended for kitchens, wardrobes or any surface where a durable and visually attractive accessory is required.

This handle is perfect for applications where functionality cannot compromise design. Its matte finish avoids marks and fingerprints, always maintaining a clean and professional appearance in any space.
