Description

Quick connect fitting for hoses and faucets, made of brass with a corrosion-resistant finish. Designed for industrial and residential installations, offering a secure and durable connection. Its two-piece structure allows easy installation without the need for special tools.

Technical Specifications

- Material: Brass
- Connection: 1 inch
- Included: 2 pieces

Commonly used in hydraulic installations, sinks, and washbasins where a quick and pressure-resistant connection is required. Facilitates the safe connection of hoses to faucets or water supply systems.

Recommended for industrial and residential environments, ensuring stable performance under high-pressure and temperature conditions.

Specifications

Diameter	1 pulgada
EAN	8435012448236
Material	Latón
