Product sheet

Brand: SIMON

Reference: SIMON 42604000-130

Customizable desktop kit with 4 Schuko socket bases and 2 blank elements, white Simon 400. With a modern and minimalist design and white finishes, the Simon 400 customizable desktop kit not only provides a modern and functional style but also guarantees maximum functionality and innovation for the connectivity of your office or work area. With 4 Schuko socket bases and 2 blank elements, you can customize it by selecting the functions required by your environment. Designed for flush mounting using integrated clamps, this kit connects to a Wieland gst 18 i figure connector, with 3 male poles and a 22 cm lead. Compatible with a supply voltage of 250 V and a current of 16A, it has a dielectric strength, without perforation or contouring, of 2000 V at 50Hz for 1 minute, and an insulation resistance of >5 MO at 500 V. Made of anodized aluminum and halogen-free self-extinguishing thermoplastic, it protects the room in case of fire by preventing flame spread and smoke toxicity. Safety, innovation, and maximum functionality for your work area with this Simon 400 desktop kit.
