Brand: SIMON

Reference: SIMON 42504000-138

Customizable desktop kit with 4 Schuko socket bases and 1 empty element, black, Simon 400. Thanks to this customizable black desktop kit from the Simon 400 series, featuring 4 Schuko socket bases and one empty element, you can integrate all necessary connections onto furniture, eliminating the need for long cables on the floor or searching for outlets on distant walls. With dimensions of 250x120x80 millimeters, it perfectly integrates its 5 elements. Manufactured for 250 volts and 16 Amperes. It includes a three-pole male aerial Wieland® gst18i connector with a 22 cm pigtail and has a dielectric strength without perforation or contouring of 2000 volts at 50 hertz for 1 minute. A piece made with materials that provide a cutting-edge design, such as the painted steel cover plate, and great resistance thanks to its anodized aluminum profile.
