Product sheet

Brand: SIMON

Reference: SIMON 42603000-130

Customizable desktop kit with 3 Schuko socket bases and 3 blank elements white Simon 400. With the Simon 400 collection desktop kit, you will get maximum functionality and innovation for your connection devices in a compact space with a clean-lined design and white finishes. With 3 Schuko socket bases and 3 blank elements, Simon 400 allows you to customize the kit to suit the specific needs of the environment. Designed for flush mounting, it is compatible with a supply voltage of 250 V and a current of 16A, connected to a 3-pin male Wieland gst 18i figure and with a 22 cm cord. Made with anodized aluminum and halogen-free self-extinguishing thermoplastic, it protects the room in case of fire and prevents flame spread and smoke toxicity. With this Simon 400 kit, your work area will enjoy maximum connectivity in minimal space, in a compact design that adapts to all types of decorative environments.
