Brand: SIMON

Reference: SIMON 42503000-130

Customizable tabletop kit with 3 Schuko socket bases and 2 blank elements, white Simon 400. With the Simon 400 customizable tabletop kit, you can adapt the space to your needs, thanks to a design with simple lines and white finishes that suit all types of spaces, while maximizing functionality in work areas. Ideal for coworking spaces or meeting rooms, this kit consists of 3 Schuko socket bases and 2 blank elements so you can select the function best suited to your needs. Designed for flush-mounted installation on furniture, it connects to a Wieland gst 18i figure and is compatible with a supply voltage of 250 Volts and an intensity of 16 Amperes. Additionally, it has an insulation resistance of >5 MO at 500 V and a dielectric strength of 2000 V at 50Hz/minute. With an anodized aluminum profile and self-extinguishing, halogen-free thermoplastic covers and fasteners, it protects the room in case of fire by preventing flame spread and smoke toxicity.
