Brand: SIMON

Reference: SIMON 42402000-138

Customizable desktop kit with 2 Schuko socket bases and 2 empty elements, black Simon 400. With the customizable desktop kit from the Simon 400 collection, you can adapt any space to your needs, all in one compact-dimension mechanism. With black finishes and a design of discreet lines, the kit consists of 2 Schuko socket bases and 2 empty elements, ideal for workspaces. With manual elevation and dimensions of 205x120x80mm, it is designed for flush mounting in furniture, without the need for additional tools. Furthermore, it is compatible with a supply voltage of 250 V and an intensity of 16A, connected to a Wieland gst 18 i figure, and has an insulation resistance of >5 MO at 500 V. For greater safety, its dielectric strength is 2000 V at 50Hz/minute. It is manufactured with anodized aluminum and halogen-free self-extinguishing thermoplastic, to ensure the safety of the room in case of fire.
