Brand: SIMON

Reference: SIMON 42402000-130

Customizable tabletop kit with 2 Schuko socket bases and 2 blank elements, white Simon 400. With two Schuko socket bases and 2 blank elements, the Simon 400 customizable kit is the solution to the problem of tables and desks cluttered with cables and electrical devices. With its clean-lined design and white finishes, this kit adapts to all types of environments and decorative styles, freeing up space on tables and desks while maximizing connection functions and functionalities. Connected to Wieland gst 18i with 3 male aerial poles and a 22 cm cord, it is compatible with a voltage of 250 V and an intensity of 16A, with an insulation resistance of >5 MO at 500 V. Designed for flush mounting, the kit is composed of anodized aluminum and self-extinguishing, halogen-free thermoplastic, which prevent flame spread and smoke toxicity, protecting the room in case of fire.
