Brand: SIMON

Reference: SIMON 42601000-130

Customizable desktop kit with 1 Schuko socket base and 5 blank elements, white Simon 400. Customize and unify the connection mechanisms in your workspace with the kit featuring 1 Schuko socket base and 5 blank elements from Simon 400. Ideal for freeing up space on desks and workstations, this kit achieves the perfect balance between innovation, functionality, and design. With a compact dimension of 295x120x80mm and a finish in intense white color, the kit integrates perfectly into all types of spaces, adding an elegant and minimalist style. Compatible with power supplies with a voltage of 250 Volts and an intensity of 16 Amperes, it is designed for flush mounting in furniture, with an insulation resistance of >5 MO at 500 V and a dielectric strength of 2000 V at 50Hz per minute. Its manufacturing materials, composed of anodized aluminum and self-extinguishing thermoplastic, guarantee maximum safety of the room in case of fire. Innovation, functionality, and safety in a compact design that optimizes space and maximizes connections in work areas.
