Brand: SIMON

Reference: SIMON 42505000-138

Complete desktop kit with 5 black Schuko socket bases Simon 400. Enjoy maximum functionality for your electrical mechanisms with the complete desktop kit from the Simon 400 collection. Designed for 5 Schuko socket bases, this kit is ideal for work areas and will optimize space on tables and desks. With black finishes, it has a compact dimension of 250x120x80mm and is suitable for flush mounting in furniture, without the need for additional tools. Thanks to these features, the set integrates into all types of spaces, providing an elegant and minimalist style. Compatible with a voltage of 250 V and an intensity of 16A, its power supply connects to a Wieland gst 18i figure with 3 male air poles and a 22 cm cord. Additionally, it has an insulation resistance of >5 MO at 500 V and a dielectric strength of 2000 V at 50Hz per minute. Manufactured with anodized aluminum and halogen-free self-extinguishing thermoplastic, it protects the room in case of fire by preventing flame propagation and smoke toxicity.
