Complete desktop kit with 2xUSB charger, 3 Schuko sockets and plate for 2 RJ45 connectors, black, Simon 400. Did you know you can have all the necessary connections fixed on top of your furniture? The Simon 400 series offers you that possibility thanks to this complete desktop kit with a charger for 2 USB, 3 Schuko sockets and a plate for 2 RJ45 connectors. A perfect product for workstations; thanks to its manual lifting system, we can connect comfortably and hide it when necessary. Made of metal with an excellent black finish, it features a painted steel cover plate and an anodized aluminum profile that provides great resistance and durability to the product. The 400 series is designed to prevent fires, as both its cover plates and fixings are made of self-extinguishing thermoplastic, which means they would prevent the spread of flames in case of an accident. Kit of 5 elements manufactured for an intensity of 16 Amperes and a voltage of 250 volts, its dimensions are 250x120x80 millimeters.
