Brand: SIMON

Reference: SIMON 42502220-130

Complete desktop kit with 2 Schuko socket outlets, 2 SAI outlets and a cover plate for 2 RJ45 connectors, white Simon 400. Adapt your workspace to your needs with the complete desktop kit from the Simon 400 collection. With a compact design and white finishes, it features 2 Schuko socket outlets, 2 uninterruptible power supply (SAI) outlets, and a cover plate for 2 RJ45 connectors. Designed for flush-mounted installation in furniture, it requires no additional tools and connects directly to the Wieland gst 18 i figure. It is compatible with a voltage of 250 V and a current of 16A. Another of its features is its dielectric strength, without perforation or contouring, of 2000 V at 50Hz/minute. Manufactured with anodized aluminum and halogen-free self-extinguishing thermoplastic, it protects the room in case of fire by preventing flame spread and smoke toxicity. Innovation, safety, and maximum functionality in minimal space with the complete kit from this collection.
