Product sheet

Brand: SIMON

Reference: SIMON 46404000-138

Complete in-table kit with cover, 2 openings, brushes, and 8 black Schuko socket outlets Simon 400. An excellent design, great functionality, safety, and high-quality materials are just some of the most notable features of the Simon 400 series. All of these can be seen reflected in this complete in-table kit with a 2-opening cover, brushes, and 8 black Schuko socket outlets from the Simon 400 series. A product designed for flush mounting in home furniture, workplaces, airports, libraries, and, in short, any place where spaces need to be optimized without sacrificing a large number of connections. Its painted steel housing and anodized aluminum profile give this piece great resistance. A fire-resistant product that prevents flame spread thanks to the self-extinguishing thermoplastic used to manufacture the covers and fasteners. Manufactured for 250 volts and 16 Amperes of intensity. Features a manual lifting system.
