Product sheet

Brand: SIMON

Reference: SIMON 27102-64

Single-pole switch 10AX 250V half-module with built-in pilot light and quick connection, white Simon 27 Play with white finish. It is a rocker switch, a very common operation in this type of device, which stands out for its ease of use. The part is also compatible with reference 2700802-037 in case the luminous indicator needs to be replaced. It has a single module and is suitable for surface and flush mounting. It is excellent for installation in all types of environments, from the home to public spaces. It is composed of metal elements with insulation made of halogen-free thermoplastic, providing greater safety to the user. The cover plate of the item is made of thermoset plastic. It has dimensions of 22.5x45mm and can be easily cleaned using a soft, dry cloth. The product belongs to the Simon 27 Play series, a revolutionary collection when it comes to redecorating environments.

Description

Single-pole switch with narrow pilot light Simon 27 white snow SIMON 27102-64

The **Simon 27** series is one of Simon's most versatile and colorful mechanism series. It features a wide range of interchangeable frames and covers to best adapt to the needs of each project.

Although the mechanism is shared across the different variants of the series, the frames offer a wide range of possibilities.

On one hand, there is the classic **Simon 27** series, with frames featuring intermediate and external trim pieces, with more rounded finishes.

On the other hand, there are the frames of the **Simon 27 NEOS** series, finished in matte or glossy glass, with soft and bold colors, giving it a completely different look from the classic series.

Finally, the **PLAY** range changes the appearance of the frames, available in two colors, white and marfil, but with a multitude of interchangeable covers, from the simplest to the boldest and most unrestrained.

In addition, this mechanism is also suitable for the **Simon 44 Aqua** series, Simon's waterproof series.

Specifications

Colour	White
EAN	8421053035924
