Product sheet

Brand: SIMON

Reference: SIMON 27202-61

10AX 250V half-unit switch with built-in pilot light and quick connection system, marfil, Simon 27 Play. Switch with a current capacity of 10AX and a voltage of 250 V, half-unit with built-in pilot light and quick connection system, finished in marfil, belonging to the Simon 27 Play series. This collection allows you to install the best electronic functions in your home to control every corner of your dwelling as you wish; among the most notable functions are: lighting regulation and control, temperature programming and control, or blind centralization. Its installation has reduced the time required to carry it out thanks to the quick connection system located on the switch itself. Additionally, it is compatible with reference 2700802-037 in case of replacement of the luminous indicator. And there is more regarding its installation, as you have two ways to carry it out: surface-mounted or flush-mounted, both are suitable for performing the installation.

Description

Narrow pilot switch Simon 27 marfil SIMON 27202-61

The **Simon 27** series is one of Simon's most versatile and colorful mechanism series. It features a wide range of interchangeable frames and covers to best adapt to the needs of each project.

Although the mechanism is shared across the different variants of the series, the frames offer a wide range of possibilities.

On one hand, there is the classic **Simon 27** series, with frames featuring intermediate and external trim pieces, with more rounded finishes.

On the other hand, there are the frames of the **Simon 27 NEOS** series, finished in matte or glossy glass, with soft and bold colors, giving a completely different look to the classic series.

Finally, the **PLAY** range changes the appearance of the frames, available in two colors, white and marfil, but with a multitude of interchangeable covers, from the simplest to the boldest and most unrestrained.

In addition, this mechanism is also suitable for the **Simon 44 Aqua** series, Simon's waterproof series.

Specifications

Colour	Marfil
EAN	8421053035948
Manufacturer	Simon
Piece type	Electrical mechanisms
Series	Simon 27
