Product sheet

Brand: SIMON

Reference: SIMON KLS01/7

Schuko socket base 16A 250V with safety shutter, luminous indicator, orange screw Simon K45. This Schuko socket base 16A 250V is orange and includes a safety shutter and a luminous indicator. It is suitable for both surface and flush mounting and features a screw terminal system. Therefore, installation can be completed in a few minutes. With dimensions of 45x45mm, the component belongs to the Simon K45 series and consists of 2 modules. It is made of metal elements with halogen-free thermoplastic insulation. This material is also self-extinguishing, ensuring non-propagation of flames and low toxicity in case of fire. For proper maintenance, use a dry, soft-textured chamois and avoid cleaning products containing chlorine. Please note that you can request a replacement pin if it breaks or is lost, using reference AC33/6.
