Product sheet

Brand: SIMON

Reference: SIMON RALK002/8

Ceiling trim piece designed for a 2-face square column. With a white finish, the part belongs to the Simon K45 series and has dimensions of 117x117x12mm. It is made of halogen-free thermoplastic material, which is very safe in case of fire, as it prevents flame spread and reduces toxicity in case of smoke emission. The trim piece complies with the current regulation. It is, in fact, a product designed as a replacement, in case of loss or replacement of the same. It is supplied injection-molded in white plastic. As for its maintenance, it is recommended to clean this item with a soft, dry cloth. It is not recommended to use cloths and abrasive cleaners containing chlorine. Simon K45 is a collection designed to enhance connectivity in workstations. Its products have been conceived to offer all types of connections in the same space.
