Simon 82 ivory adapter plate. Adapter plate with an ivory finish, also available in up to six finishes. We recommend choosing a frame in the same color as the selected key's base to achieve a set that suits every corner of your home, providing elegance, balance, and simplicity. Additionally, this component is made of thermoplastic and complies with the electronic components standard UNE-EN 60669-1:2002 + A1:2003 + A2:2009. This device belongs to the Simon 82 series, characterized by its minimalist design, noble finishes, and extensive range of textures. Installation is facilitated as it is suitable for surface and flush mounting in any space you desire. Please note the following plate dimensions: 55x55mm. To maintain your component in perfect condition, simply use a soft cloth slightly dampened with soapy water, and avoid using cloths and/or abrasive cleaners containing chlorine.
