Product sheet

Brand: SIMON

Reference: SIMON 42623000-138

Complete desktop kit with 2xUSB charger, 3 Schuko sockets and 2 customizable empty elements, from the Simon 400 series. With an elegant finish, in black color. The Simon 400 series stands out for its cutting-edge functions, design, and safety. The fire safety offered by the products in this series is simply exceptional; its fasteners and covers are made from halogen-free materials and self-extinguishing thermoplastic, which prevents both flame propagation and the creation of toxic fumes. Made of metal, this is a complete desktop kit with a 2xUSB charger, 3 Schuko socket bases, and two empty elements suitable for voice, data, and multimedia. The 400 series offers you the possibility to install your connections where they are most needed and without the need for long cables on the floor; thanks to its manual lifting system, it can be hidden quickly and efficiently. This kit is manufactured for a voltage of 250 volts and a current of 16 amperes.
