

## Product sheet

## Female Claw Terminal 2.8mm (Bag 100 Units)

Brand: EDM

Reference: EDM 48604

### Female Claw Terminal 2.8mm (Bag 100 Units)

- Female claw terminal 2.8mm diameter
- Pack of 100 units
- Perfect for safe and long-lasting electrical connections
- Easy to install and use
- Resistant, high-quality material
- Compatible with a wide range of variety of cables and devices
- Indispensable for electronics and DIY projects
- Compact dimensions for a precise fit
- Ensures a stable and reliable connection
- Ideal for professional or home use

### Description

2.8mm Female Claw Terminal (Bag 100 Units) is a high quality product designed for safe and long-lasting electrical connections. Each bag contains 100 2.8mm female claw terminals, ensuring an adequate supply for your wiring projects. These terminals are manufactured from strong and durable materials, making them ideal for industrial and automotive applications. Its female claw design allows a quick and safe connection with cables of appropriate gauge, avoiding short circuits and guaranteeing efficient transmission of electrical current. With these terminals, you can make professional and reliable connections in your electronics, automotive or industrial projects.

2.8mm female claw terminal  
Bag with 100 units  
Strong and durable material  
Quick and secure connection  
Ideal for industrial and automotive applications
