Description

Sofytouch Cofra protective glasses, ideal for mechanical work in closed places with good visibility conditions. These glasses have colorless polycarbonate lenses and curvature 5, complying with EN 166 - EN 170 standards. They are anti-scratch and anti-fog, guaranteeing clear vision at all times. The PVC front frame is light and comfortable, weighing 110g. In addition, they are compatible with the use of prescription glasses and dust masks, offering excellent comfort during use. With the 1BT 9 CE marking on the lenses and the 166 3 4 9 BT CE marking on the frame, these glasses meet the quality and safety standards required to protect your eyes at work.
