Description

The Cofra warning jacket size 52 is a high visibility garment ideal for work in sectors such as agriculture, railways, logistics industry and road work. With large front pockets, 3M and Scotchlite brand reflective stripes, and a mobile phone pocket with e-ward insulated fabric, this jacket offers comfort and functionality. In addition, it has chest pockets, adjustable waist and cuffs, ergonomic cut of the sleeves, double interior pocket and ear loop. Its composition of 60% polyester and 40% cotton, with a weight of 290g/m², guarantees durability and resistance. Available in yellow, this jacket meets the safety and visibility standards necessary to work safely in risky environments.
