Description

The Cofra Tecka softshell jacket in black and lime, size 56, is a versatile and functional garment for working in adverse weather conditions. Made from high quality materials, this jacket offers protection against wind and rain, keeping you warm and dry at all times. Its design includes multiple pockets with velcro and zipper closures to safely store your tools and personal items. The adjustable and detachable hood, along with adjustable cuffs and hem, allow you to adapt the jacket to your needs and preferences. Plus, its fleece interior provides an extra layer of warmth and comfort. Ideal for professionals looking for a balance between style, functionality and protection in the workplace.
