Description

Pool mesh 6x10m Leaf Pool Cover, a cover that is easy to install and does not need any fixing to stay above the water. The pool is kept clean of leaves and insects and allows you to enjoy bathing when you remove it without spending time cleaning. In addition, during the hibernation season we protect our pool until the next season. Measurements adapted to most prefabricated pools. The lead rope that runs along the perimeter of the Leaf Pool Cover gives it a weight that allows it to remain in place without needing to be fixed. We do not have to drill our garden or terrace, or carry out any type of work for its effective and quick installation. High-density polyethylene (HDPE) monofilament fabric. Polyamide rope with inner core with lead rosary.
