Description

Molded Rubber Stopper Ø50mm (Packaging)

This 50mm molded rubber stopper is ideal for safely and effectively sealing containers or containers of different types of products. Its high-quality design guarantees an airtight seal that protects the contents from external contamination and prevents accidental spills. In addition, its strong and durable material ensures a long useful life, making it a reliable option for product packaging.

- Diameter: 50mm
- Material: Rubber molded
- Individual packaging for greater hygiene
- Hermetic closure to protect the contents
- Resistant and durable

Ø42mm Molded Rubber Stopper (Packaging)

This 42mm molded rubber stopper is perfect for sealing containers or containers safely and reliably. With a high-quality design and resistant material, it guarantees an airtight seal that protects the contents from external contamination and prevents possible spills. Its individual packaging ensures the hygiene of the product and its durability makes it an excellent option for packaging various products.

- Diameter: 42mm
- Material: Molded rubber
- Individual packaging for greater hygiene
- Hermetic closure to protect the contents
- Resistant and durable

Specifications

EAN	8425998016833
Manufacturer	EDM
Material	Goma
Country of origin	Spain
Weight (kg)	0, 021
