Description

Roll of gray mosquito net 1.50x30m, ideal for protecting your home from annoying insects all year round. This mosquito net is made of PVC-coated fiberglass, which makes it very resistant and durable. Its gray color easily combines with any type of decoration, and its size of 1.50x30m allows it to cover large areas of windows or doors. In addition, its installation is very simple, so you can place it yourself without having to hire a professional.

- Color: gray
- Size: 1.50x30m
- Material: PVC coated fiberglass
- Resistant and durable
- Easy to install
- Protect your home from insects
- Combines with any decoration
