SIMON 270 | Single matt black R-TV+SAT socket

Discover all the functions they have created for **Simon 270**: switches, plugs, USB, TV sockets, RJ, dimmers, blind switches and special functions.

The electrical connections and mechanical fixings have been improved.

Practicality is not at odds with aesthetics. In this collection, the different control mechanisms have the same usability and are progressively pressed. The entire surface of the key is useful and offers a very pleasant uniform touch

with a short and precise actuation travel. In addition, its 100% pulsing mechanism makes the keys return to the same position, always remaining in perfect order and harmony.
