Description

Green plasticized thread ø4mm x 50m (diameter/length) multipurpose. Ideal for various applications in the home, garden or workshop, this high-quality thread from the Filgraf brand offers strength and durability. Its 4mm diameter makes it suitable for tasks requiring sturdy support, while its 50m length provides enough material for multiple projects. The plastic-coated metal material ensures greater protection against corrosion and wear, making it a reliable choice for outdoor use. Whether tying plants in the garden, hanging decorations or making repairs, this green twine will be a versatile and reliable tool in your home or workplace.

- Color: Green
- Diameter: 4mm
- Length: 50m
