Description

The PHILIPS Standard LED E27 bulb is an efficient and durable option to illuminate your home or office. With a power of 13W and 2000lm, it emits a cold light of 6500K that is perfect for spaces that require bright and clear lighting. Its standard E27 design and its measurements of ø7x12.1cm make it compatible with most lamps and luminaires. With a lifespan of 15,000 hours, this LED bulb is an excellent alternative to traditional bulbs, as it consumes less energy and has a 120W equivalence. In addition, its matte glass and 360° opening angle guarantee uniform distribution of light in all directions. It is not dimmable and has a color rendering index (CRI) of 80, which means that colors will appear natural and realistic. Update your spaces with this quality LED bulb from the renowned Philips brand!

Specifications
