Description

The 4.3W E27 LED Philips spherical bulb offers a warm light of 2700K and 470lm intensity. With a size of ø4.5x8.2cm, this bulb has a lifespan of 15,000 hours and works with 220-240V alternating current. Its matte glass design gives it an elegant look, and its 360° opening angle ensures uniform lighting in all directions. With a color rendering index of 80, this bulb is not dimmable and is equivalent to a traditional 40W bulb. Ideal for illuminating any space with a soft and welcoming light, the Philips LED E27 bulb is an efficient and long-lasting option for your home or office.

Specifications
