Description

NIESSEN 1504.4 BL | Over white light button with night orientation

Over is a series of surfaces with a high aesthetic level that contains solutions of very small dimensions and minimal volume so that they barely protrude from the wall. The Over series by Niessen has different frame colors, a key to suit each decoration, and with a white identical to that of the mini-channels on the market. The Niessen Over functions: - switches - pushbuttons - telecommunications sockets - socket outlets
