Description

Varta indestructible f10 pro flashlight is a resistant and durable lighting tool, ideal for outdoor use and extreme situations. With a power of 6w and 300lm, this flashlight offers a duration of up to 40 hours and a focus range of up to 183 meters. It works with 3 AAA batteries included and has two light powers to adapt to different needs. Its extremely robust design makes it drop-proof up to 9 meters, with shock-absorbing rubber head and back. With an IK08 impact resistance rating and IP67 water and dust resistance, this flashlight is perfect for any outdoor adventure. With a length of 13.8 cm and a head diameter of 4.35 cm, the Varta f10 pro indestructible flashlight is a reliable and resistant tool for any situation.
