Description

Varta work flex stadium light flashlight is a powerful work flashlight with a rechargeable lithium-ion battery that offers up to 1450lm of light in 3 different modes. Featuring COB LED technology, this flashlight is water and dust resistant with a 2m drop test, making it ideal for use in demanding environments. Lasting up to 15 hours, it includes a 1m charging cable and a low battery indicator light in red and blue. Its 7-position adjustable stand allows it to be hung or propped up as needed, and it has a hook integrated into the handle for greater versatility. With a focus range of up to 45m, this flashlight is perfect for illuminating large work areas with a total lighting power of up to 1450lm.
