## Description

Varta metal key chain light is a compact, high-quality flashlight, made of chrome-plated zinc alloy. Featuring a 5mm white LED that offers an improved beam, this flashlight features two lighting modes: high and low. It automatically turns off after 10 minutes of continuous use, making it ideal for daily use. The large, comfortable rubber switch operates with a single press, making it easy to use. Includes a practical keychain to take it everywhere. With a focus range of up to 11 meters and a duration of up to 6 hours, this flashlight offers a total lighting power of up to 15 lumens. Powered by 2 CR2016 batteries included, making it convenient and ready to use.
