Description

The Wolfcraft Spring-Loaded Microfix Tweezers are a pack of 4 universally applicable tweezers, specially designed for model making. These tweezers offer optimal adaptation to the piece thanks to their movable jaws, which guarantees a firm and secure grip. With a clamping width of 30mm, these clamps are ideal for holding parts of different sizes and shapes during the assembly process. Manufactured by Wolfcraft, a brand recognized for its quality and durability, these tweezers are an essential tool for any hobbyist creating models and DIY projects.
