The BLACK+DECKER 710W Hammer Drill (BEH710K-QS) is a powerful and versatile tool, ideal for demanding masonry drilling tasks. With its impact action of up to 47,600ipm, this drill guarantees optimal performance in construction and renovation work. Its electronic and variable speed motor, with a speed of up to 2800rpm, allows a slow start for greater precision in the work. In addition, it has a multi-position side handle that facilitates handling and control during operation. With a 3m long cable and a 13mm chuck size, this drill offers a drilling capacity of 25mm in wood, 13mm in steel and 13mm in concrete. Includes a convenient carrying case for added convenience and portability. Powerful, precise and easy to use, the BLACK+DECKER 710W Hammer Drill is the perfect tool for your DIY and construction projects!

- Hammer action up to 47,600ipm
