FERMAX 9630 | MARINE button

Brand: FERMAX

Reference: FERMAX 9630

MARINE button. Spare parts kit that includes the button and the card holder for the Marine and Marine Classic panels. The Marine Call Buttons are: Anti-vandalism, made of stainless steel and with an anti-blocking system, they resist any impact. The buttons include a card holder, to house a label with the name of the owner of the home and the door number. They are metallic and have a rounded shape in line with the design of the plate. The button card holders are made of 6 mm thick polycarbonate, a material resistant to shocks and high temperatures. stainless steel. Marine is the line of anti-vandal plates made of 2.5 mm thick stainless steel. Straight lines that highlight the quality of the steel. State-of-the-art technology and a resistance that can even withstand the most corrosive, humid and dangerous environments.
