Product sheet

FERMAX 9601 | CITY CLASSIC double button

Brand: FERMAX

Reference: FERMAX 9601

Double spare parts button for CityClassic plates. Metallic call buttons with a rounded shape in line with the curved profile of the panel. Equipped with special silver-plated contacts that provide them with greater durability. CityClassic is the line of continuous profile entrance panels for buildings. The plates are made of anodized aluminum, highly resistant to weathering and climatic changes. The design of the plate stands out for its curved-convex profile. A cellular rubber sealing gasket that is included ensures a perfect coupling of the plate to the wall, to prevent water leaks.
