FERMAX7438 | Autonomous MEMOKEY module

Brand: FERMAX

Reference: FERMAX 7438

MEMOKEY W Skyline. Access control module, to be incorporated in door entry/video door entry panels. Telephone-type keypad that allows the door to be opened by entering a previously programmed code of up to 6 digits. New Cityline plate. Cityline is the line of street panels with a continuous profile. It is characterized by its curved-convex profile maintaining the same characteristics of its predecessor, ensuring its immediate replacement and replacement. They are made of anodized aluminum, highly resistant to weathering and climatic changes. Aluminum colour. Autonomous access control system.
