Description

Sanding set for angle grinder 4 pieces 5607000 wolfcraft. The 4-piece sanding pad set for angle grinders contains, in addition to the sanding pad with a diameter of 50 mm, three abrasive discs with grits of 40, 80 and 120, to immediately start sanding work. With its M14 thread, the sanding pad is compatible with all commercial angle grinders. Thanks to its rubber coating, it adapts perfectly to all gaps and contours, and allows for comfortable sanding. With threaded shank, the abrasive discs can be mounted in just a few seconds on the quick-change system. The perfect tool for coarse and fine machining of surfaces with the angle grinder.

- 50mm diameter sanding plate
- Three abrasive discs with grits of 40, 80 and 120
- M14 thread compatible with all commercial angle grinders
- Rubber coating to adapt to gaps and contours
- Threaded shank for quick mounting of abrasive discs
- Ideal for coarse and fine machining of surfaces with an angle grinder
