Description

Polyester/cotton work glove size 10 Juba. The "Juba Nature" glove is made from recycled polyester/cotton coated with rough latex, offering solid grip in dry and wet environments. Its 44% recycled fiber polyester/cotton backing includes 25% recycled polyester and 19% recycled cotton, reducing water, energy consumption and carbon footprint. With abrasion and contact heat resistance up to 250°C, these gloves are durable and comfortable, absorbing sweat to keep hands cool. The Sanitized® sanitizing function protects against fungi, mites and bacteria, preventing odors and minimizing skin irritations. Recommended for construction, quarries, ceramic industry, gardening, agriculture and more.

Specifications

EAN	8423752229000
Country of origin	Spain
Weight (kg)	0, 118
