Description

Polyester/nylon/nitrile cold work glove Size 8 JUBA, ideal for protecting hands in cold and humid environments. The "ice blue" glove is made with foam nitrile and nylon inner lining with fiberglass and other synthetic fibers, providing excellent thermal insulation and resistance to the cold. Its wrist closure with elastic band guarantees a secure and comfortable fit. Perfect for use in cold rooms, frozen food handling, transportation and delivery of frozen products, forklift drivers, agriculture, construction and outdoor work.

- Material: polyester/nylon/nitrile
- Size: 8
