Description

Profi Anvil Scissors 21cm Stocker is a high quality tool designed for professional use and also suitable for amateurs. With curved blade and counter blade and anvil cut, it is ideal for pruning in viticulture. The chrome-plated steel blade ensures durability and cutting precision, while the PVC-coated forged aluminum handles offer a comfortable and secure grip. The ergonomic handle allows for easy and efficient handling. With a length of 21cm and a weight of 210g, this scissor can cut branches up to 25mm in diameter with ease.
