Description

Profi Bypass Scissors 22cm with Rotating Handle Stocker is a high quality tool designed for hobby and professional gardening. With a curved blade and counterblade and bypass cutting, these scissors offer a precise and clean cut. Safety lock technology ensures greater stability of the central bolt, while the rotating handle speeds up cutting to take the strain off your wrist.

- Chrome-plated steel blade
- PVC-coated forged aluminum handles
- Ergonomic handle
- With shock absorber
- Rotatable lower handle
- Length: 22cm
- Weight: 300g
- Maximum cutting diameter: 22mm
