Description

The Gardena Manual Seed Spreader is a versatile and easy-to-use tool that will help you distribute seeds, fertilizers or road salt efficiently in your garden. With an ergonomic handle and a rotating disc, this spreader allows you to adjust the spreading width from 0.5m to 2m or from 1m to 4m, depending on the speed of the crank and the type of material to be spread. With a recommended lawn area of approximately 100m², this spreader has an opening button, 4 adjustment levels and a filling volume of 1.65kg for fertilizer, 2kg for road salt and 1kg for seeds. Whether spring, summer, autumn or winter, the Gardena Manual Seed Spreader will help you keep your garden in optimal condition all year round.
