[View product online](#)**Description**

The wolcraft 4042000 prop is the perfect solution for mounting plasterboard sheets to ceilings and inclined surfaces when you need additional support. With its extendable telescopic rod and pump mechanism for precise adjustment, you can secure plates weighing up to 30kg safely and easily. The fixing plate keeps the plasterboard in place and protects the surface of the material. With an extension of 1.60 to 2.90m, it covers all standard room heights, allowing you to screw larger plates overhead without the need for an assistant.

- Extendable telescopic rod
- Pumping mechanism for precise adjustment
- Load capacity up to 30kg
- Fixing plate to keep plasterboard in place
- Extension from 1.60 to 2.90m to cover all standard room heights
- Facilitates the work of mounting plasterboard on ceilings and inclined surfaces

Specifications

EAN	4006885404205
